WHAT WILL I GET FROM THIS PROGRAMME?

The combination of established academic programmes with equally interactive face-to-face periods at the Graduate School of Business, Universiti Sains Malaysia and Adam Smith Business School, University of Glasgow provides the perfect environment for a programme of the highest quality.

- You will be awarded with two Master degrees instead of one, from two renowned universities less time than it would have taken to study the two degrees consecutively.
- You will enhance your academic learning experience, international exposure, professional network and career development.
- You will have the opportunity to explore a new country and experience an entirely different culture.
- You will build critical thinking, communication, leadership and entrepreneurial skills.

WHY MBA-MSC (DOUBLE DEGREE) PROGRAMME?

The MBA-MSc (Double Degree) programme is an exciting partnership designed in collaboration between the Graduate School of Business, Universiti Sains Malaysia and Adam Smith Business School, University of Glasgow. The programme aims to provide students with a rigorous and comprehensive general management curriculum from the perspectives of South East Asian and European academics and practitioners.

UPON GRADUATION, YOU WILL BE ABLE:

- To apply cross disciplinary knowledge to diagnose and address complex business problems holistically
- To use scientific methods and critical thinking in developing robust business strategies
- To incorporate sustainability and ethics into your decision making process
- To embrace an innovative and entrepreneurial mind set in seeking business and management solutions.
- To demonstrate effective interpersonal and communication skills in engaging with multiple stakeholders.
